

You are invited to attend a community discussion with Nevada County District V Supervisor, Hardy Bullock regarding the Nevada County Commercial Cannabis Dispensary Applicant Selection Process.

Saturday, September 19, 2026
2:00 – 3:00 p.m.

Soda Springs Resort Lodge

10244 Soda Springs Road

Soda Springs, CA 95728

The meeting is intended to provide an opportunity for Supervisor Bullock to meet directly with members of the Serene Lakes and Donner Summit communities and other interested representatives to hear their questions, concerns, and feedback regarding the proposed Commercial Cannabis Dispensary Applicant Selection Process.

The discussion will include the status of the applicant selection process, the proposed Request for Applicants (RFA) and Application Evaluation Scorecard scheduled for consideration by the Nevada County Board of Supervisors on October 6 and anticipated next steps. County staff will also be available to provide clarification regarding the distinction between the applicant selection process and approval of a specific dispensary location, as well as the separate discretionary Use Permit and site-specific review process that would be required before a specific location could receive land-use approval.

Most importantly, the meeting is intended to provide an opportunity for community members to discuss their questions and concerns directly with Supervisor Bullock and County staff in advance of the October 6 Board of Supervisors meeting.

There will not be a formal presentation; the meeting is intended to be an open discussion with participants.

A one-page agenda and discussion guide will be provided at the meeting to help guide the conversation.

Representatives from Placer County, including Supervisor Cindy Gustafson and her staff, are also being invited to participate in the discussion.

Please feel free to forward this invitation to other members of the Serene Lakes and Donner Summit communities, or other individuals and representatives you believe would be interested in participating in the discussion. If you anticipate additional attendees, I would appreciate it if you could let me know so that we can have a general idea of attendance and make sure the meeting space can accommodate the group.

Thank you to everyone who has continued to participate in this process and provide questions, comments, and feedback. We appreciate the opportunity to meet with you and continue the discussion in advance of the October 6 Board meeting.

Please feel free to contact me if you have any questions regarding the meeting.

Thank you,

Matt Kelley
